

**Letter of Support: COST Innovators Grant (CIG) Application
VisionXAI: Pioneering Visual Analytics for Establishing XAI Standards in
European Finance with a Policy-Focused Impact**

Dear Members of the COST Innovators Grant (CIG) Selection Committee,

BME, Bolsas y Mercados Españoles, is the operator of the Spanish stock exchanges, providing trading, clearing, and settlement services. Acquired by SIX Group in 2020, it employs 980 professionals. BME facilitates transparent and efficient capital markets, fostering investment and economic growth in Spain.

We are aware of the application for the COST Innovator Grant with the title "*VisionXAI: Pioneering Visual Analytics for Establishing XAI Standards in European Finance with a Policy-Focused Impact*," which aligns with our dedication to responsible and transparent investment practices.

On the project's aim and scope, we have been informed that:

- VisionXAI seeks to create a visual analytics tool that enhances the interpretability and standards of XAI in the European financial sector.
- The project is geared towards meeting regulatory requirements and policy impacts, ensuring alignment with EU directives.
- It is designed to be a scalable solution that bridges the gap between technical XAI approaches and practical financial applications.
- VisionXAI aims to foster trust and transparency in AI-driven financial decisions by offering clear, user-friendly interpretations.
- The initiative also intends to address bias detection and mitigation within AI systems, promoting fairness and data integrity.

Given the expertise and dedication of the project team, we are confident that VisionXAI has the potential to make significant strides in advancing XAI standards and promoting ethical AI practices across the European finance sector. The interdisciplinary nature of the project, bringing together experts from fields such as finance, artificial intelligence, and policy, further strengthens its potential for impact and innovation.

We wholeheartedly endorse the COST Innovator Grant application for VisionXAI, recognizing the significant role such a tool will play in the financial sector.

With this letter, we confirm that we are very interested in the proposed solution, and we look forward to assessing the results of the project relevant for our business activities.

Sincerely,

Madrid, May 8th 2024
